ELIJAH T. GALLOSA
Front-end Developer / Project Manager

About Me

I am a **front-end developer** and **project manager** with a keen eye for detail and a passion for creating seamless digital experiences. With expertise in UI/UX design, **web development,** and **team coordination,** I ensure that every project is executed with both efficiency and creativity.

I am dedicated to delivering high-quality work, whether designing intuitive UI, managing project timelines, or pushing the boundaries of what's possible in tech. My goal is to contribute to projects that combine functionality, creativity, and a strong sense of individuality.

Seminars

IT Developer Life Hacks: Working SMART as a Computer Programmer — **2024**

Explore tools and techniques that enhance productivity, streamline workflows, and enable developers to work more efficiently, boosting overall performance.

Launch Your Tech Career: The High-Demand Skillset of Full Stack Web Developer — **2024**
